

Carpathian Mountains and unspoiled villages

5 days / 4 nights

Piatra Craiului and Bucegi mountains, are two of the most amazing Romanian massifs. Their easy access didn't affect their wilderness, that's why we invite you to discover their rich fauna and flora, warm clearings and spectacular landscapes. Human rural activities and history will fascinate you there, and you will be impressed by sheepfolds and medieval fortresses.

We say goodbye to Piatra Craiului to meet the Bucegi mountains. Today we will walk on a small ridge going down to Bran

castle. This castle was built in the 14th century and had a role of defence against the migratory people. Later it protected Transylvania from the Ottoman invasions. The castle was also associated with the fictional character of Dracula, who was based on the prince Vlad Tepes of Wallachia. End of the trip in Bran. Day 5 - End of the journey

Breakfast and transfer to Bucharest.

On your way, optionally, you can also visit the Rasnov Fortress. The citadel was built as part of a defence system for the Transylvanian villages exposed to outside invasions.
