

Carpathian Mountains and Castles - self-guided version

8 days / 7 nights

Piatra Craiului and Bucegi are some of the most popular and appreciated Romanian mountains. Come here to discover the unbelievable diversity of flora and fauna in the National Park of Piatra Craiului, the great pastures and the spectacular landscapes at the feet of Bucegi mountains. You will also visit perched sheepfolds in high mountain pastures and medieval fortresses.

YOUR PROGRAM

Day 1 - Reception in Bucharest

Our agent will meet the clients in Bucharest, at the train station or at the hotel, to give them the documents (road book, maps...). Train Bucharest - Brasov (2.40hr) & Brasov - Zarnesti (50 min). Several train options depending on the arrival flight and if the clients want to stop in Brasov to visit this beautiful medieval city. Dinner and Accomodation in Zarnesti. (D)

Day 2 - Zarnesti Gorges

Walk in Piatra Craiului ("Rock of the King") mountains to the typical mountain hut of Curmatura. On your way to the guesthouse you will cross the fascinating Zarnesti gorges with 200m high vertical walls. Approx 5h, 15km, +800m, -300m.

Day 3 - Bran castle

Today you will walk on a small ridge going down to Bran castle. This castle was built in the 14th century and had a role of defence against the migratory people. Later it protected Transylvania from the Ottoman invasions. The castle was also associated with the fictional character of Dracula, who was based on the prince Vlad Tepes of Wallachia. Transfer to the same guesthouse as the night before. Approx. 4h30, 14km, +300m, -600m).

Day 4 - Pastures and forests in "Piatra Craiului" National Park

Trek in the National park of Piatra Craiului till the south of the ridge through pastures, sheepfolds, woods and scattered villages. You will arrive in a Romanian traditional mountain village. Approx. 4h30, 13km, +300m, -250m.

Day 5 - Scattered villages

Leave the Piatra Craiului mountains. A easy walk with “picture post-card” landscapes through scattered villages with small and ancient houses, at the foot of Bucegi mountains. The inhabitants are livestock breeders; therefore the village has a long time tradition in cheese preparing. Approx. 4h, 14km, -150m, +250m.

Day 6 - Bucegi's mountains

Trek towards the Bucegi massif. A long hike which you will not regret: magnificent landscapes and sights of the Piatra Craiului's crest. Approx. 6h, 18km, +650m, -900m. (Possible shorter walk 4h, 12km, +400m, -700m)

Day 7 - Meadow of Gutanu

Continue to hike in the Bucegi mountains. A trek along the meadow of Gutanu and the vertical walls of the Bucegi's crest. Starting with June you can find the shepherds with their flocks and maybe even ask to taste the cheese they prepare. Take the time and enjoy these landscapes. Approx. 6h, 18km, +700m, -900m.

Day 8 - End of the journey

Transfer by bus to Brasov and then by train to Bucharest. End of the journey.
