YOUR PROGRAM

Day 1 - Transfer to Transylvania

Private transfer from Bucharest airport to Brasov, the most beautiful town in Romania in winter time. Fringed by the peaks of the Southern Carpathian Mountains and resplendent with gothic, baroque and renaissance architecture, as well as a wealth of historical attractions, Brasov is one of the most visited places in Romania. Brasov downtown was founded by the Teutonic Knights in 1211 on an ancient Dacian site and settled by the Saxons as one of the seven walled citadels. Brasov exudes a distinct medieval ambiance. Evening visit of the town.

Day 2 - First taste of the snowy trails

Today we begin our snowshoeing tour walking to the most traditional hut in the Carpathians Mountains. Single-trail paths through dark woods pierced by bright meadows will lead us to the Transylvanian chalet. After a tasty meal we return to our village passing through the impressive gorges of Zarnesti. Stone walls high as 200m will impress us while crossing the canyon. Dinner and overnight in a wooden guesthouse in Magura. (~ 5h) BLD.

Day 3 - Bran Castle

Depending on the snow layer conditions, today we can practice different types of snowshoeing or take a horse sleigh ride that leads us to Bran Castle. The famous castle of the infamous count Dracula is spectacularly hanging on a hill top and looks even mistier in winter clothes. Dinner and overnight in the same place as yesterday. (~3h) BLD.

Day 4 - Traditional villages

Today we hike to the foot of Piatra Craiului ridge, the longest limestone ridge in the Carpathians, with a length of almost 30 km.

Day 5 - Mountains heights

This day awaits us with winter trekking which will lead us to cross villages that reveal the countryside in complete harmony with nature. Dinner and overnight in agro tourism pension at the foot of the Bucegi massif. (~5 h) BLD.

Day 6 - Bucolic track

Our last walk will take us in the Bucegi Natural Park. We wonder at the foot of the spectacular ridge of Bucegi. This place offers us wonderful scenery and magnificent views over the King's Stone Mountains (Piatra Craiului) that we left the day before. Night in the same place as yesterday. (~ 5h) BLD.

Day 7 - Discovery of Bucharest

We leave the mysterious Carpathian Mountains to spend the afternoon in the Romanian capital city - Bucharest. We will spend a few hours here, which will give us an idea of the tormented history of Romania's twentieth century. From different architectural styles we learn about the influences under which the city has lived: the influence of Ottoman empire, contemporary western influences, neo-classicism and socialist architecture. Surprising blends that will make you understand a culture in search of recognition. Night in a 3* hotel located in the heart of historic downtown. BL.
