

## Bike & wine in Romania

2 days / 1 night

We invite you to a cycling trip in the footsteps of Bacchus, in a fairy tale location - the beautiful & endless grape vines from Dealu Mare region. Let yourself be carried by all these flavors, in the place where history & gastronomy blend perfectly.

### YOUR PROGRAM

#### Day 1 - Arrival

Meeting at the guesthouse. We start by tasting several varieties of wine, accompanied by plates with fine mini sandwiches, associated with each wine variety. Then we sit down for an elegant dinner, with 3 dishes carefully prepared from fresh, local ingredients.

We spend the evening on the estate, in rooms arranged with special attention to detail and the environment. To complete the noble story frame, there is also the Bellu Mansion Museum nearby - another architectural gem.

#### Day 2 - Bike ride day

After breakfast, we start biking in a bucolic tour, part of the "Wine Road". We let ourselves be carried away by the smell of ripe grapes, the smell of earth and grass and the gentle sun.

Once back at the mansion, everyone sets off on their own, free to explore the beauties of the area or spend another evening here. End of the story!
