After reaching the valley, we will have a steady climb to a beautiful meadow rich with panoramic views over the ridge. From there on we will follow an easy trail in the woods which will bring us to Curmatura, where a fire and a tasty meal will be ready for us.

#### **SAFETY INSTRUCTIONS**

Good equipment is the key to comfort during this tour. Starting with the insulating and waterproof boots that are the most important. Leather hiking boots can work as well, if they are waterproof. Do not forget your wool socks, wool and silk or synthetic socks with absorbent fabric liners that keep your feet warm and dry. Also have gaiters to prevent snow from entering your boots. Finally, avoid wearing cotton socks.
