Vulcan village

IMPORTANT INFORMATION

We take all necessary measures to ensure that our guests will have a safe, pleasant and carefree holiday.

Deposits can be refunded in case of cancellation due to restrictions imposed by the authorities or can be used for other trips with us.

SAFETY INSTRUCTIONS

Good equipment is the key to comfort during this tour. Starting with the insulating and waterproof boots that are the most important. Leather hiking boots can work as well, if they are waterproof. Do not forget your wool socks, wool and silk or synthetic socks with absorbent fabric liners that keep your feet warm and dry. Also have gaiters to prevent snow from entering your boots. Finally, avoid wearing cotton socks.
