

## **Ski-touring initiation in the Bucegi mountains, 12-13 dec**

2 days / 1 night

This ski-touring getaway in the Bucegi massif is the perfect way to explore what the Carpathian Mountains have to offer in winter, far from the crowded resorts. We will enjoy nature and a healthy lifestyle under the close supervision of our experienced mountain guide.

What a bliss to be in communion with nature, while practising one of our favourite sports!

### **YOUR PROGRAM**

#### **Day 1 - We go up on skis**

The mountain getaway will start at the gondola in Sinaia at 1400m, where the mountain guide that accompanies in this winter adventure will greet us.

We will go up by gondola and descended on skis to the Valea Dorului hut, where the ski-touring workshop will begin.

Your guide will choose the best slopes to initiate you in this beautiful sport, according to the snow conditions, far from the crowds. This valley is well known for being one of the sunniest places in the Bucegi Massif.

Dinner and accommodation included at Valea Dorului mountain hut.

#### **Day 2 - The descent from Bucegi**

After breakfast, depending on the weather and the snow conditions, our mountain guide will choose one of the many options, such as reaching out the Babele plateau.

We will admire postcard-like landscapes and enjoy a silence that makes us dream.

The day finishes before the last service of the gondola going down to 1400m, above the town of Sinaia. Our getaway is coming to an end. Many more to come!

Breakfast and lunch included.
