YOUR PROGRAM

Day 2 - Magical Christmas Eve

Day 3 - Walking in the winter wonderland

After the Christmas meal, we go to relax a bit in a beautiful easy hike through the villages on the Iza Valley, accompanied by your guide. The starting point will be the wooden church from Ieud - UNESCO Monument, which we will visit first. From there we start on foot, slow & steady, to the neighboring village - Botiza. We will admire the hills and mountains in the distance, taking advantage of the tranquility of this archaic world. If the weather allows it, we'll do this was on snowshoes for an even more unique experience!

In these villages you can admire the famous carved wooden gates, old houses and people dressed in folk costumes. The guide will share the meanings of the symbols on the gates and costumes, as well as various customs in the area, specific to this holiday.

In the evening we return to the pension where a delicious dinner will be waiting for us.

Day 5 - A ride with the steam train or a relaxation day

Day 6 - End of the holiday
